## What's PATACS? Teammates Learning Together!!

**WHO ARE WE?** Folks who share your fascination with PCs, digital cameras, tablets, smart phones, TV, and other tech toys. Our emphasis is Windows, Linux, Android devices, apps, iDevices, open source software and the Internet. We're big enough to give you the help you need, but small enough to be friendly! Our group is a non-profit, member-supported educational organization with roots back to 1978 and the first Commodore and Tandy / Radio Shack Model I computers!

**MONTHLY MEETINGS** - are held in Arlington, Evenings - 7:00 - 9:00 PM, and in Fairfax, Afternoon 1 -3:30 PM (Some sessions available via Cloud meeting services.)

**1st & 4<sup>th</sup> Wednesday in Arlington, 5711 S. 4<sup>th</sup> Street**  
**3<sup>rd</sup> Saturday in Fairfax at OLLI, 4210 Roberts Rd**

Meeting programs feature demonstrations by members, and presentations by knowledgeable experts. Special offers from vendors are often announced. Time is allocated at each meeting for attendees to ask questions and describe problems they are experiencing with their system's hardware or software. These are discussed and resolved by others present who may have had similar difficulties, or the necessary experience to help with answers to particular problems.

**PATACS Posts** - Published 12 times each year, each issue includes articles by our members and reports on club activities. Members are sent a download link to a full-color, PDF edition via email. Members may "OPT OUT" of receiving a B&W print edition of the publication. The newsletter reprints articles from similar publications from across the country and around the world, covering a broad range of technology and PC interests.

**Potomac Area Technology and Computer Society**  
**HOW DO I JOIN?** Visit our membership page at:  
<https://www.patacs.org/membershipat.html>

Fill out the On-Line application and submit an electronic payment. Or, complete the application above. Mail with your check to the address below. The time, effort, and money saved from your association with PATACS will quickly exceed the nominal annual dues.
