What's PATACS?
Teammates Learning Together!!

WHO ARE WE? Folks who share your fascination with PCs, digital cameras, tablets, smart phones, TV, and other tech toys. Our emphasis is on Windows, Linux, Android devices, apps, iDevices, open source software and the Internet. We're big enough to give you the help you need, but small enough to be friendly! Our group is a non-profit, member-supported educational organization with roots back to 1978 and the first Commodore and Tandy / Radio Shack Model I computers!

MONTHLY MEETINGS - are held in Arlington, Evenings - 7:00 - 9:00 PM, and in Fairfax, Afternoon 1 -3:30 PM
(Meetings also available via Zoom)

1st & 4th Wednesday in Arlington, 5711 S. 4th Street
3rd Saturday in Fairfax at OLLI, 4210 Roberts Rd

Meeting programs feature demonstrations by members, and presentations by knowledgeable experts. Special offers from vendors are often announced. Time is allocated at each meeting for attendees to ask questions and describe problems they are experiencing with their system's hardware or software. These are discussed and resolved by others present who may have had similar difficulties, or the necessary experience to help with answers to particular problems.

Computer and Technology Articles- Sent 8 or more times each year,articles by our members and from similar groups from across the country and around the world, covering a broad range of technology and PC interests.

Potomac Area Technology and Computer Society
HOW DO I JOIN? Visit our membership page at:
https://www.patacs.org/membershippat.html

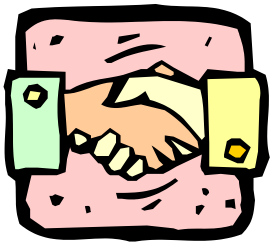

Fill out the On-Line application and submit an electronic payment. Or, complete the application above. Mail with your check to the address below. The time, effort, and money saved from your association with PATACS will quickly exceed the nominal annual dues.

Mail Check and Application to:
