

HOW TO JOIN AN OLLI CLASS ON ZOOM

You will get an email with information on the class. Note that ZOOM will use the term “meeting” instead of “class.”

A link in your email will say something like “Join Zoom Meeting.”

You will get a choice to open the meeting with Zoom, or to open it with Chrome (or possibly another browser that you have installed.)

Select Zoom.

(If you select the browser, it will take you to the Zoom site, and then redirect you to the Zoom app if you have it installed, or else make you install the app.)

Click that link to automatically join the meeting. If the instructor has not yet initiated the meeting, you will get a message, “Waiting for the host to start this meeting.” You can either wait, or you can cancel, wait a few minutes, and click the link again.
